

Dear all,

We are very happy to invite you to our public online event of the Project QualityHealth, on December 29, 2021 at 12.00 pm (Athens, GMT +2).

The Partners of the Quality Health Project collaborated together for a common target: to achieve the improvement of the life quality related to the health and social welfare issues. The Project implemented an integrated a set of actions forthe improvement of the quality and the accessibility of medical services for people of the cross-border area. At this event the Project Partners will present the achievement and results of the Project.

Please connect to the event via the following link:
